Our mission is to empower the everyday individual to push past their comfort zone and towards a strong and healthy lifestyle. We strive to make a life-changing experience for every person.

Our team of committed and caring trainers, doctor, and physical therapist strive to empower individuals towards a healthier lifestyle.

Our goal is to offer a variety of group classes, as well as private training for all ages that will challenge you physically, emotionally and mentally. We train the individual with this holistic approach by creating increased awareness on all levels. This gives our client the freedom to choose a healthier life. This is done on step at a time, giving the client a chance to adjust to the changes, making it a permanent part of who they are.

Our dream is to inspire you to take your fitness goals to a level you never thought possible, to be proud of who you were when you started your fitness journey, and to realize that you have no regrets and that there are no limits to your potential.

Motto: "LIVE WITHOUT REGRET"

We dedicate ourselves to long term relationships as we commit to improve the "Drive To Better Health." We accomplish this by adhering to our Mission Statement, Core Values, and Team Vision.

Last year, Driven Elite Fitness and Health adopted kids from the Community Outreach Program, giving all 80 kids a Christmas party and presents. In 2019, our prayer is that we will be able to continue to touch lives through the success of the Driven Elite.
